As many of you know we are still recovering from the watermain break we had last November. One of the last steps in that recovery is to replace the sidewalk that caved in as a result of the work that had to be done to fix it.

We are planning workdays for the weekend of the 24<sup>th</sup> & 25<sup>th</sup> to replace the sidewalk in the front of the building. If you have a strong back, tools, equipment or supplies that can be borrowed for this effort we could really use your help.

Contact the club and let us know if we can count on you to be there.

The Elgin Board has recently formed a Garden Committee. The goal is to spruce-up the front of Turner Hall and to let everyone know that we are here, we did not "relocate" or "go out of business". There has been talk on social media and feedback from some of our patrons, people think the "Elgin Turners has closed their doors."

We plan to replace the sign in front of the building (exactly the same, just not rotted away), give the sign posts and railings a coat of paint and plant as many perennials as we can get our hands on. Hopefully this will gain some curiosity from the residents and passers by.

We are looking for volunteers to help us make a plan, get your hands dirty or donate plants.

If you're not interested in the actual digging and planting but have some perennials you can donate, we'll take what ever you can give to start us out.

Please contact the club if you are interested in helping out in any way. Let us know the best way to contact you so we can invited to the committee meetings.

## A message from the Vice President

Gutten Tag fellow Turners,

It has been an exciting year so far at the Elgin Turners and June will include some more of that excitement.

June starts off with our first annual Train Crawl. It will take place on June 10<sup>th</sup>, we will be making five stops along the Milwaukee West line. The fun starts at Turner Hall with Bloody Mary specials and ends back at club for roast beef sandwiches. We will be charging \$25.00 for your ticket, the poker draw, and all you can eat roast beef sandwiches. If you are planning on attending please contact either myself, Peggy Crain or call the club to reserve your spot as soon as possible.

June 15<sup>th</sup> is the date for our annual Father's day Steak Dinner. This year we will be serving rib eye steak grilled to your liking, grilled asparagus, baked potato, and salad. Only \$12.00 for Dads and \$15.00 for everyone else. Please call the club to reserve your spot to ensure we have a dinner for you and your family.

Unfortunately, the Calcutta drawdown on June 4<sup>th</sup> will need to be rescheduled to September 17<sup>th</sup>. Please mark your calendars. If you have already bought your ticket, it will now be valid for September. This is a great event and I encourage all members to attend and to bring their friends and family. It is \$100.00 per couple and not only includes all the beer, wine and well liquor you can handle it also includes all you can eat along with chances at various prizes and of course chances to win money.

To get your ticket, or if you have any questions please contact myself, Dave Williams or visit the club and see Cliff.

Thank you and I hope to see all of you at club this Month.

Gut Heil,

Randy W. Ruhl

## A message from the Bar Trustee:

Happy summer please remember that the club is open during the summer also.

We understand life gets busy in the summer with the kids outdoor activities and weekend BBQs and camping and whatever else pops up.

But remember the Club still needs your support. Membership has dropped over the past few years so that basically means we are looking to those members that are still active to help support the club come summer time.

Please also remember the club offers discount rental fees to all Elgin Turner members and we are willing to talk to you about a liquor and or pop package for your event.

So in short we need your support in the upcoming months as summer sets upon us.

Remember we offer daily Happy Hour along with several other beer specials.

Hope to see you around the club.

Bar Chairman

Jack Bucaro
