Gutten Tag fellow Turners,

December is finally here and with it brings some end of the year favorite events down at the club.

First up is our annual chili cook off Sunday December 10th. Make a batch of your favorite chili and bring down to the club, doors open at 11:00a.m. and judging will take place at halftime with prizes for the top three chili's.

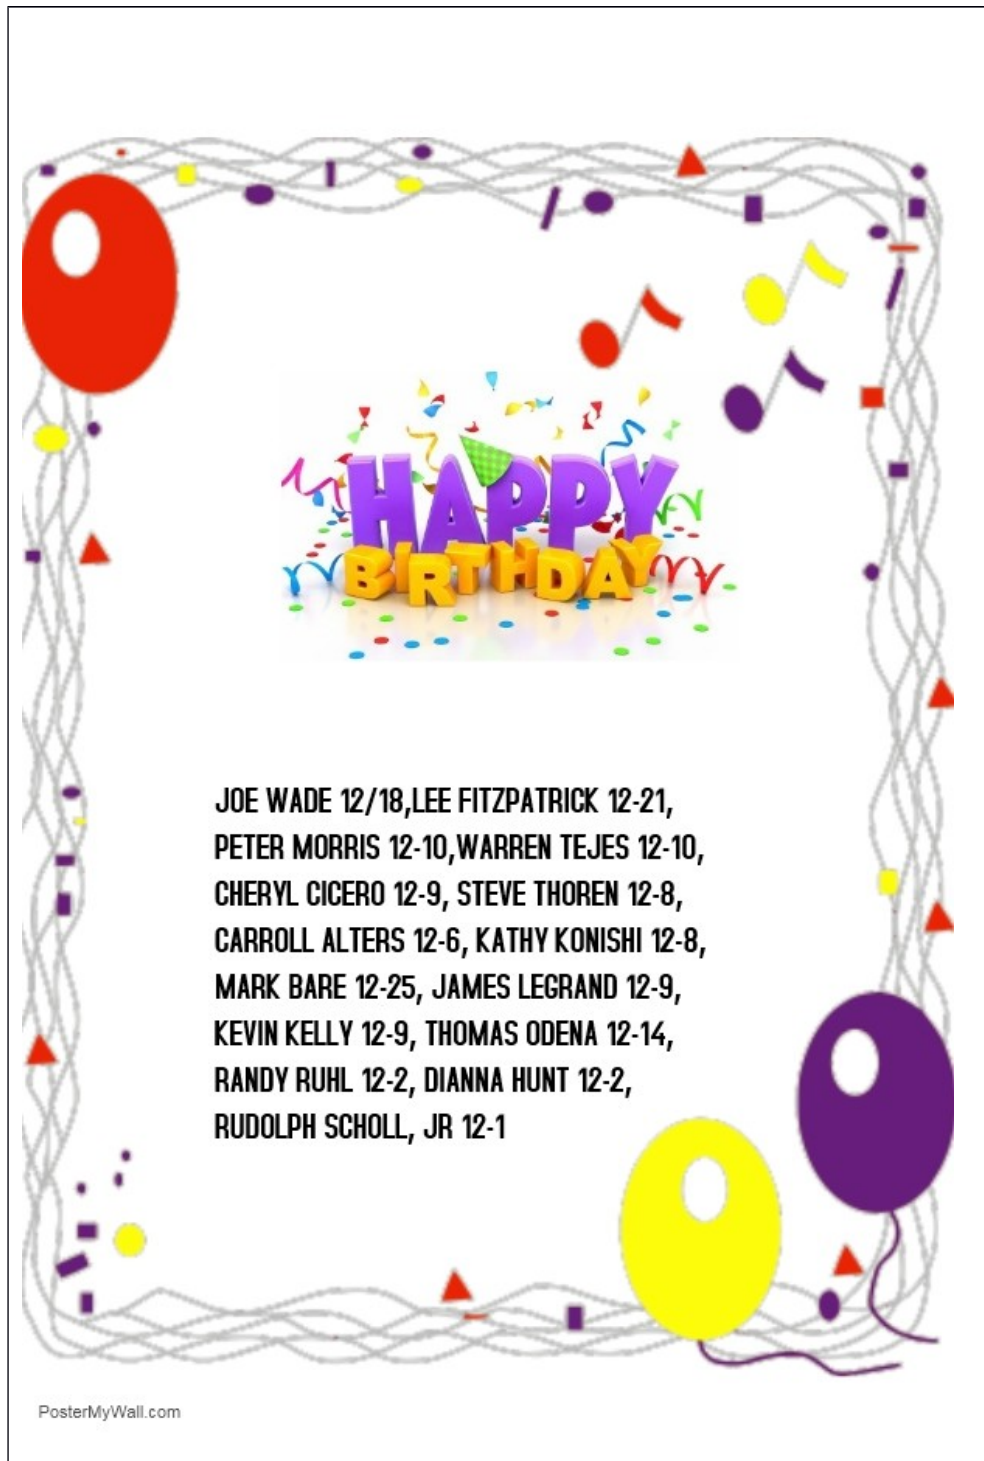

Next is our annual kids Christmas party on December 17th. This year it will be taking place on the main floor we will be providing snacks, games and entertainment plus there is a rumor going around that there may be an appearance by Santa Claus. Doors will open at 11 and if you are planning on attending please let the club know by December 10 with the number of children you will be bringing along with a few gift ideas for each child. The downstairs bar will also be open for all adults that want a Christmas party of their own.

We will be closed Christmas eve and Christmas day, however we will be open on New Year's Eve. We will start the day off with family breakfast followed by a New Year's Eve game day. We will remain open as long as we have members down here. We will also be open New Year's Day serving Tom and Jerry's from 11a.m. to 2p.m.

I would like to remind everyone that this month's meeting is on December 18th and this is also our election night along with the night we discuss any changes to be made to our financial obligations and I strongly encourage all members to attend this important meeting.

Finally it is mine and the club's pleasure to announce that this month's Turner of the Month is Theresa Ernst.

Congratulations Theresa.
