Elgin Turners

Issue 2

Fellow Turners,

At the end of last year we started the Queen of Hearts raffle. This is a game that has grown to over a million Dollars out in Morris, Illinois and over \$400,000 in McHenry. The odds are better than the lotto, and proceeds help your club as well as local charities. In order for it to grow, it has to be played & tickets have to be sold every week. As it grows, more people show up and people that do, buy more tickets. Odds increase for the weekly winning ticket every week that the Queen isn't drawn. For 5 bucks, you get 6 chances to at least double your money, quadruple it when present or even the Jackpot, depending on what envelope you choose. Please stop down and buy tickets once a week to help get this growing. We need your help.

In February, anyone showing up on Thursdays with a non-perishable food item for the Elgin Food Bank will get double the Queen of Hearts tickets for their money for that days drawing. That's right, \$5 will get you 12 chances to win the weekly drawing and you'd be helping people in need at the same time.

The Greater Elgin Food Depository recycles cardboard for a profit. Elgin Turners is now going to be giving it's cardboard to them instead of throwing it in the dumpster. If you regularly have cardboard to get rid of, stop down to find out how something you throw away can help feed the hungry.

We have the Calcutta happening this month on Saturday the 24th. This is another great chance to win money. The tickets are a hundred bucks per couple and it includes a chance to win up to \$3500, food, fun and YOUR BEVERAGES. Please stop down and get a ticket while you are there getting Queen of Hearts Tickets.

Our meetings are always in need of more attendance. If you have constructive ideas on how to help our club and our community, PLEASE stop in and share. It is always so refreshing to hear what we can do, and see Turners get together to get'r done. Even in nasty weather, our meetings are still the 3rd Monday of every month at 7:00 PM.

We have a gym with a fresh look that is in need of using. There is plenty of room to play bags, basketball, volleyball, pickle ball, fly a drone etc.... Great place for tournaments. Need more people with the drive to get things going.

In order for us to grow or even stay in existence, we need more new members. We started a membership drive at the last meeting. If you get 2 members to join (and pay their dues) your dues for next year will be comped. This will go on until June, so bring in your family & friends and sign them up. We are sorely in need of new people to help us out.

With Turner Greetings,
Dave Williams
