

President's Corner

I'd really like to thank the members, board members and staff who have all really been stepping up lately to clean up our club, help with and attend events. It is great to see Elgin Turners be a club again. I'd like to thank everyone that showed up for and helped make Honors and Awards a great day. We have more great events coming up and hope to see you all there. If each member could do at least two things for the club a year, and encourage 2 people to join and or help out, our membership would never suffer hardship. Look at the calendar and see what you can do to attend or help out with. If you bring in 2 new members your dues next year are free.

I'd like to welcome Peggy Crain and Dan Buss to our executive board. Thank you for stepping up to help us out. A complete list of board members can be found at <http://www.elginturners.org/about-us/executive-board.html>

While much has been done, much is still left to do. The front of our building is the face we provide to the city. It really looks terrible. Walls are dirty, have open patches of soil, a sidewalk that needs repair, a sign frame and railings that need to be painted. The front of our service station needs to be painted. We have areas of our club that need to be cleaned indoors, and things that need to be repaired. What can you do to help or who do you know that might be able to help? We really need some volunteers to help us out. In addition, there are always things we could use donated, there is a wish list at <http://www.elginturners.org/about-us/wish-list.html>

The seed has been planted with Queen of Hearts and it has been growing. We could really use more participation. We have regular food specials on Thursdays and domestic beers are only 2 Bucks, come on down and bring your friends and family.

We have a member Larry Cutsforth who suffered a stroke, heart problems, and infections and spent half a year in the hospital. He was a board member last year, and went from healthy to near death, from employed to not. He is loved by all and invite all to pray for his continued recovery. We are having a benefit for him on Sunday, May 20th at 1PM. If you have anything you can donate or are willing to help out with the event, please contact Theresa or Carrie.

With Turner Greetings,

Dave Williams
