

ELGIN TURNER'S NEWSLETTER

JUNE 2019

Have you ever heard of a secret club? Well I believe they exist in Turners. Not sure, but pretty confident they are there. Wanna be part of one or know somebody that does, wanna start one?

There's a bond between Turner members that is strong enough to do things that some people think is impossible. While I have heard a lot of it, witnessed some of it, I wonder what we can do now? We are a club and we get stuff done right? Let's do good shit and have fun doing it!!

I have seen pictures of members not so long ago; making props, costumes and more just to have fun for a single night. What do you envision for a fun night (look up from the phone and think about this)?

My message might be a little more off my normal beat, but I want to invite forward thinking on what we can do to grow. A strong mind really needs a focus adjustment from time to time.

With Turner Greetings,
Dave Williams
