

### President's Corner

Summer is here and our AC works, come on down! We have things to do daily at the club, Double Queen of Hearts tickets on Mondays, Taco Tuesdays, Burger Specials on Wednesdays, Queen of Hearts and simple specials on Thursdays, Fish Frydays, New bartender on Saturdays, and Sundays on Demand. We have had a better year income wise but could still use more participation. Please come down and patronize our club, could be the 1st year in a long time we haven't had to hit our investments to survive.

Every day of the week you can buy Queen of Hearts tickets, and we need weekly participation for it to grow. The other clubs where it has grown to over a million, it started at zero, but it was played. We have Double Tickets on Mondays, double Tickets on Taco Tuesdays during July, and double Tickets on Thursdays if you like share and comment on our weekly Facebook post.

Speaking of Facebook, it is nice to like our posts, but it is better to share. Sharing is FREE advertisement that you can help with by clicking your mouse. The only way we can grow again is to promote our club. If you can't make it down, share it so maybe someone else can.

Please help us help each other in any way you can; show up at a meeting, stop down once a week, tell your friends and family, or share a post.

With Turner Greetings,

Dave Williams
