

What's going on at Elgin Turners?

Well our anticipation of our beloved softball tournament at Turner Camp has ended. The Illinois District Turner executive board voted to not allow this to take place this year. Saddens me to see that softball leagues can return to play on a weekly basis, but a 2-day annual tournament has to be canceled.

While we are back open to the membership, I have included the stage 4 guidelines in effect and posted at the hall. While we all still want to live with some normalcy, we need to stay safe too.

Our Bar Trustee, Peggy Crain and our financial secretary, Bill Graham have resigned. Thank you, Peggy and Bill, for the years of service you have donated to the Elgin Turners. Sometimes board service is a thankless job, when you see Peggy or Bill, please thank them for all they have done for us. Ryan Graham has stepped up and been elected to the financial secretary position. If anyone is interested in taking on the bar trustee position, please contact us.

On July 9th we had a microburst in Elgin and it did some severe damage to our roof and the following rain did some damage to our interior. We are working with contractors and the insurance company to restore these damages. If you can help out with anything, please contact us.

We are having our annual golf outing on September 19th with a shotgun start at Bonnie Dundee. To signup, sponsor a hole or just help out, please contact Carrie Mellom or Jim LeGrand.

Right now, we are operating on a 100% volunteer crew. Thank you to all that have stepped up and pitched in. Keep this in mind when you come down and maybe trow some of these volunteers an extra buck or two when you tip. Without them we would be closed. Still need some bar-tending slots filled namely Mondays and Sundays. The Bassett class is fairly easy and can be completed in a few hours.

I'd like to offer a special thank you to Liz Price, Gary Lungren, Doug Anderson, Dan Buss, Barb Macari, Nate Peterson, Carrie Mellom, and Theresa Ernst for cleaning up our outside of the building. Things kind of got away from us during the shutdown. If I forgot to mention someone, please forgive me I am not always there when this cleanup takes place.

With Turner Greetings,

Dave Williams

I never blame myself when I'm not hitting. I just blame the bat and if it keeps up, I change bats. After all, if I know it isn't my fault that I'm not hitting, how can I get mad at myself?
